- B. Archivist- Judy W – Since new to area would still like to know who the long timers are so she can interview them. Please feel free to pass names to her, she is collecting records save flyers and group minutes and has a book started. Again would like each group to start working on its group history before that info gets lost. A template is available on the Area website.

V. New Business

- A. Budget – DCMC passed out chart of current budget and what was spent. That the total budget was \$8534.00 and we spent \$ 6385 – reminded folks district expenditures are dependent on group contributions. So while we try to reimburse for expenses there may be some out of pocket expenses. Regardless we all officers and Coordinators will be good stewards of our money and conserve when/where possible. Went over the current budget, explained Web Servant overage because it was expenditure for two years. Explained DCMC overage was to cover some of the Founder's Day expenses and Delegate Report's expenses. Judy W made a motion made to carry over initial budget amounts for 2020 – 2nded by Allison – passes unanimously.
- B. Elections – Covered ground rules as follows – DCMC will announce the position, explain duties as best he can, ask for volunteers, if only volunteer individual will be awarded position. If more than one person we will ask to qualify, ask individual's to
